

Skyline Residents,

Driving the entire park it is quite noticeable that more residents need to be paying more attention to their homes landscaping. Specifically, overgrown grass, weeds, unkempt shrubs or trees. As well, walkways, paths, gutters and street landscapes must be clear of weeds and debris. This provides fire safety and the beautification of the community.

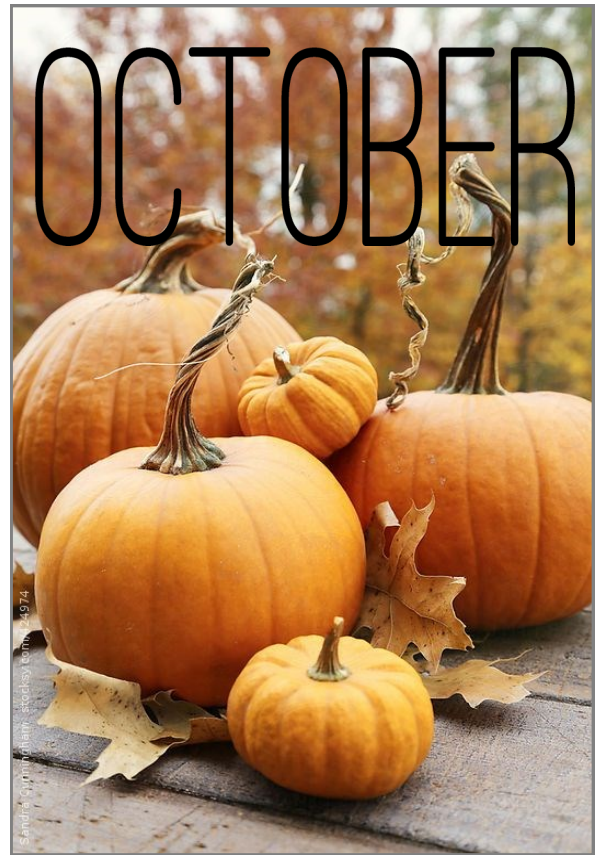

Another noticeable area of concern is outside storage. Do not store anything beneath, behind or the outside of your homes space. Keep in mind when decorating the outside areas, only outdoor furniture is allowed on the exterior of your space. Multiple planters and ornamental yard decorations should be kept to a tidy minimum. All resident's are to maintain their space in a clean and sanitary condition.

Many homes have beautifully executed exteriors and we appreciate those residents. Proper maintenance of yards, landscaping and exterior upkeep are essential to preserving the overall appearance and property values of our community.

We kindly request that you address these issues and bring your property into compliance with the Skyline Ranch Country Club Rules & Regulations. If you have misplaced your copy the office will be happy to provide one to you.

Failure to take action after receiving a written violation may result in corrections made by the Park owners at your expense.

We appreciate your prompt attention to this matter.

APPLE SEASON IS HERE

Apple-picking season typically starts in early/mid-September and often ends in mid-October (or when orchards run out of apples).

Orchards are reporting the apple season is very limited this year due to the weather earlier in the year.

Below are just a few places nearby to go pick your own delish apples.

Julian Mining Co.

4444 Hwy. 78
www.julianminingcompany.com
951-312-9940

Available for u-pick starting the weekend of Sept. 14. No reservations, drop-in only. Admission is \$2 a person and bags are \$15 each.

Phone Scams Involving Social Security

Social Security scams are on the rise, according to the Social Security Administration (SSA).

How This Scam Usually Works: The scammer will call you claiming that there is some problem with your Social Security benefits or that you need to confirm your Social Security number to keep your account active. The crook may even threaten you with arrest or try to entice you with a promise of increased benefits if you set up a payment immediately via credit card or some other method.

Keep in mind, the SSA *may* call you, but a legitimate agent will never threaten you or demand payment. Here's what it says on [SSA.gov](https://www.ssa.gov): "If there is a problem with your Social Security number or record, we will typically mail you a letter." The agency says generally it will call you if:

- You have recently applied for a Social Security benefit.
- Are currently receiving payments and need to update your record.
- Have specifically requested a phone call from them.

Valley Center Fire Protection District Fire Extinguisher Service Day

Thursday, October 3, 2024

\$10

Drop off between 7:30-10 am on
October 3rd at

28234 Lilac Rd- Station 1

SAME DAY Pick-Up
between 3pm & 5pm

Take advantage of this offer to assure your homes fire extinguisher's are in working condition.

Did you know the average lifespan of a powder, foam or water extinguisher is usually between 10 and 12 years? This is based on the extinguisher being in good condition with no corrosion or damage. After this time, the fire extinguisher should be replaced with a new one.

If you're wondering how to find the expiration date on your fire extinguisher, look for a date stamp on the inspection tag first. You can also look for a date stamped on the cylinder's body.

LEFT OVER PUMPKINS? WHAT DO I DO?

Here's some cool ideas!

Pumpkins are a great source of nitrogen for compost bins! If you do not keep a compost pile, bury the pumpkin in your yard. As it decays, nutrients and vitamins will enrich your soil, including vitamins A, C, and potassium.

Here is a simple way to guarantee you will have pumpkins for next fall. Place the dry seeds in a sealed envelope and keep them in a cool and dry place where they can stay undisturbed for a long period of time (your refrigerator is perfect for this). Next spring, you can plant the seeds in your garden for fresh orange pumpkins by fall.

A seed bomb is a little ball made up of a combination of compost, clay, and seeds. The compost and clay act as a carrier for the seeds so they can be easily planted. Interestingly enough, the seeds you save may not be the same type of pumpkin that will eventually grow, due to the fact that pumpkins hybridize themselves while growing near other varieties. It's an adventure because you don't know what you're going to get, and that's the fun of it. There are more than 45 different varieties of pumpkins, all in different sizes, shapes, and colors.

Skyline Social Club's

Women's Club Happenings...

September was a very busy month, but what a great kick off to our 2024-25 year! At our meeting on September 11th, in addition to paying tribute to the fallen, we focused on our theme of Butterflies, including an outstanding presentation on "The Lifecycle of a Monarch Butterfly (and friends)"! Thank you to Patti Cox and Tammy Kelley for their informative talk and unique video featuring their experiences observing and assisting Mother Nature in process. (More info and photos of the meeting were posted on the Skyline Community Facebook page.)

We want to express our appreciation to all those who assisted with the Community Yard Sale, sponsored by the Women's Club. Also, a huge thank you to all who supported the Bake Sale! It was extremely successful, with well over \$500 raised for our charitable activities! Thank you for helping us serve our community!

We are excited to share information about our next meeting, which will be October 9th. In addition to our usual business and a Halloween party, we have a local florist coming to demonstrate and assist us in planting succulents in individual pumpkins for us to keep!

There is no cost to members, but reservations are required to reserve your pumpkin.

For more information, please contact Patti Cox: 760-822-8531.

In the meantime...Happy Fall, Y'all!

LAYERED PUMPKIN DELIGHT

- 1 cup all-purpose flour
- ½ cup butter, softened
- ¾ cup chopped pecans
- 8 ounces cream cheese, softened
- 1 cup powdered sugar
- 3 cups whipped topping, divided
- 2½ cups milk
- 3 (3.4- ounce) packages white chocolate (or vanilla) instant pudding mix
- 1 (15-ounce) can pumpkin puree
- 1 teaspoon pumpkin spice

LAYER 1 Mix flour, butter, and ½ cup pecans. Press into a greased 9x9 pan. Bake for 15 minutes at 350°F, then remove and let cool.

LAYER 2 Blend cream cheese and powdered sugar, add 1 cup of the whipped topping, then spread over cooled crust.

LAYER 3 Mix milk, pudding mix, canned pumpkin, pumpkin spice, and 1 cup whipped topping, then spread over layer 2.

LAYER 4 Spread remaining 1 cup of whipped topping and sprinkle with pecans. Let chill for 3 hours or until set. Serve chilled.

NOTE: If you are using a 9x13 pan, or would like a thicker crust, add an additional ½ cup flour, ¼ cup butter, and ¼ cup chopped pecans.
