## Thankfulness

Late autumn always comes with the opportunity to reflect on the year and give thanks for all of the great things and great people in our lives.

For many, we get caught up in our daily routines and often times we forget to take that extra moment or two for reflection of the greatness all around us. As a community Skyline has a wonderful combination of residents. Everyone has differing life experiences, giving us so much to appreciate about one another.

This is the perfect time to let our Skyline residents know just how much you are appreciated. It's not always easy agreeing with management or us with you. However, in the end if we work together we can keep Skyline a wonderful place to call home.

We wish you, your families and your loved ones a wonderful Thanksgiving and holiday season.

## California Climate Credit

This month your utility bill will include a credit identified as the "California Climate Credit." Your November statement reflects a, \$78.22 credit on your electric utility charges.

The California Climate Credit is part of California's efforts to fight climate change. This credit is from the California Cap-and-Trade Program, which requires power plants, fuel providers, and large industrial facilities that emit greenhouse gases to buy carbon pollution allowances. The credit on your bill is designed to help utility customers during the transition to a low-carbon future.

It turns out that on average, a person eats 3,150 calories during Thanksgiving dinner.

That's a lot, and for many it's much more than what they need every day. And remember that a lot of people treat Thanksgiving dinner as a competition of who can eat the most turkey. Others want a low-calorie Thanksgiving dinner, and at the same time get a taste of everything that's on the table.

Regardless of whether you belong in the former or the latter group, all those Thanksgiving food calories result in something. Either they end up being used in an activity or they end up around the waist.

What's it going to be for you this year?

### CLUBHOUSE LIGHTING

When you or your group are completed with the use of areas in the Community Clubhouse please shut of the lights as you leave.

Just like you as a homeowner, management needs to keep energy cost down as part of the cost to maintain the amenities.

We appreciate your awareness!

Although Thanksgiving comes but once a year, every day should be a day of Thanks.... *Monique Hammond*

## MEN'S GOLF CLUB CHAMPION

Congratulations to Jim Freeman for winning the 2024 Skyline Ranch Men's Golf Club Championship. Jim secured a one-stroke victory with his three-day total score of 196. Thanks to all the tournament participants and scorers, with special thanks to the super team of Azalea, Loreen and Tiffany for preparing a wonderful spaghetti dinner for the awards ceremony.

## SKYLINE SCGA NEWS

Congratulations to Karl Breitenfeld, 2024 SCGA Club Champion!

Karl will represent Skyline at the SCGA Tournament of Club Champions in Palm Springs in December. Good luck at the tournament, Karl!

Did you know that all Skyline golfers – guys and gals – are welcome to join our SCGA group? We play most Tuesday mornings and the great thing about our group is that we mostly play a low-net game – meaning your handicap will allow you to compete with the best of 'em! We play from special SCGA tees so the yardage is a bit more than the regular course, but tons of fun and no pressure!

Dues are \$50 for 2025, and per-game entry fee is \$5 towards our prize money. Three witnessed rounds from our SCGA tees will allow you to establish a Handicap Index. This number can be converted to a handicap at any SCGA-rated course away from Skyline.

We'll help you get started! Come on out and join the fun. Help us grow the game of golf here at Skyline.

**Call or text Susan Tischler at 253-226-7022 with any questions.**

## WOMEN'S GOLF

If you love to play golf join the fun every Thursday 8:30 am.

## Women's Club Happenings...

Great meetings don't just "fall" into place. It takes a lot of creativity, effort and teamwork to achieve success. So kudos and thank you to all those who contributed the "tricks" of their trade to make our October 9th meeting a fun "treat"!

From delightful decorations, to a lovely lunch, to prettying up pumpkins with succulents, to a rousing round of Death Charades, we had so much fun it was almost spooky! Congratulations to the winning table in charades (pictured) as well as our door prize winners, Sally Roberts and Sheri Brunkow, and our 50/50 Drawing winner, Karyn Keyser!

Last, but not least, we were excited to welcome three new guests/members who share our enthusiasm for serving our community!

Speaking of which, the planning and preparations for our annual **Veterans Day Celebration** are well underway. This year's event will be held on **Wednesday, November 13th**, in the Clubhouse starting at 5:30 pm. In addition to a sit-down dinner, we have a patriotic program planned, including a poignant video tribute. There is no charge to attend, but donations are welcome to offset the cost of the event.

A flyer was distributed to each home with a tear-off slip to RSVP to attend the celebration. All Skyline residents are invited, but seating is limited and **Reservations are required**.

**Deadline to RSVP is Wednesday, November 6th**. It truly is our pleasure to honor our Skyline veterans each year and we hope you can join us on November 13th!

## VETERANS DAY DINNER AND GALA

**WEDNESDAY, NOVEMBER 13TH**  
**5:30 PM in the clubhouse ballroom**

The Skyline Women's Club celebrates our "Skyline Veterans" with a sit down dinner and program gala. The Skyline Singers will perform patriotic music.

A video tribute to all residents or family of Skyline for service to our country.

Everyone is invited to celebrate

**RSVP is required so please contact, Phyllis Knight, 760-644-3489**
